## Alumni Reunion 07 Packed With Fun

By Rachel Masson

PETER WRENN

Dr. Katz and Alumni Family Members at 07 Reunion Weekend

If you weren't in Putney Vermont July 14 and 15 you missed a spectacular Alumni Reunion Weekend. Alumni from across the country returned to campus to visit with friends, catch up with faculty and staff, and face off in an exciting softball game, while enjoying wonderful food and entertainment. In addition those in attendance took the historic step of ratifying the Landmark College Alumni Association Bylaws, laying the ground work for the official establishment of the Landmark College Alumni Association (see accompanying article).

We could not have asked for better weather to welcome our family back to campus. It was a carnival atmosphere, complete with cotton candy, popcorn and a bounce house for the children (and more than a few of the alumni). Several alumni enjoyed a horseback trail ride with Beth Jankelson, our Director of Outdoor Programs, while others participated in a campus-wide scavenger hunt. They also got to face off against staff, faculty and current students in a high scoring softball game. Despite the sheer size of the opposing team, our alumni demonstrated their considerable athletic skills, winning the game hands down.

Saturday evening's festivities kicked off with a reception at the Front Porch Café in downtown Putney. The College's very own Ben Mitchell led his band in several excellent sets over the course of the evening while guests enjoyed their meals. Back on campus the celebration continued at that evening's bonfire.

Sunday morning came too quickly, as it was time to say our goodbyes. I would like to thank everyone who helped make Alumni Reunion 2007 such a success and we hope to see all of you on campus again very soon. For more photos see page 11.
