The Lone Star College System is committed to the principle of equal opportunity in education and employment. LSCS does not discriminate against individuals on the basis of race, color, gender, religion, disability, age, veteran status, nationality or ethnicity in the administration of its educational policies, admissions policies, employment policies, scholarship and loan programs, and other system or college administered programs and activities.

Inquiries concerning LSCS's policies, compliance with applicable laws, statutes, and regulations (such as Title VI, Title IX, and Section 504), and complaints may be directed to the vice chancellor for human resources and general counsel. The vice chancellor for human resources is designated as the LSCS's equal opportunity officer and Title IX coordinator. Inquiries about the laws and about compliance may also be directed to the assistant secretary for civil rights, US Department of Education.

November 10 - 12, 2010

EXPANDING HORIZONS: 2010 INSTITUTE ON LEARNING DIFFERENCES

November 10-12, 2010 Institute on Learning Differences

Lone Star College-CyFair
Conference Center
9191 Barker Cypress Rd.
Cypress, TX 77433

Hosted by Lone Star College System, Landmark College Institute for Research and Training, and AHEAD in Texas

EXPANDING HORIZONS highlights a collaboration of Lone Star College System with AHEAD in Texas and Landmark College. Landmark College is one of the only accredited colleges in the United States that exclusively serves students with learning disabilities and attention disorders.

This program offers a variety of options for professional development and your choice of a variety of Institutes. For conference details, visit LoneStar.edu/expandinghorizons.

For the BEST BARGAIN plan to attend all three days! Come and learn best practices for addressing the needs of students with learning differences.

CONFERENCE THEMES

Come learn about:

- Transition Issues
 - High School to College
 - College to Work
 - Military to College
- Workforce Issues
- Best Practices: Teaching reading, writing and math to students with learning disabilities
- The Neuroscience of Teaching and Learning
- Universal Approaches to Teaching and Learning
- And more!
