## Course Expectations for Students

By applying to the LC Online Dual Enrollment program and signing the application, students indicate their understanding that this is an **intensive, rigorous academic** course that offers college **credits upon successful completion**.

Student agrees to:

- **Logon to the course** and course platform - Canvas, as soon as the course is open, and regularly engage in the course every week (**four to five times a week**), **monitor Canvas email**, and **communicate with the instructor and course coach**, as needed.
- Dedicate at least **9 hours per week** for readings, assignments, postings, and participation in synchronous sessions and online discussions.
- **Fully participate** in the course from the start and **immediately communicate any navigation or technical difficulties** to the instructor and/or course coach.
- Create and maintain an online learning environment which **promotes respect and integrity**.
- Produce **high quality work** that meets or exceeds course standards.
- **Complete all assignments, quizzes, and activities by the due date**; although break periods may not coincide with scheduled breaks at the student's high school, **student is responsible to immediately communicate** with the instructor or advisor if an assignment is not done.
- **Meet all Online Course system requirements** (see paragraph below)
- Acknowledge that this document serves as **an official policy for all students in the Landmark College** high school online dual enrollment program.

---

### Online Course System Requirements:

Students will need the ability to access our online course content through a browser running on a desktop or laptop computer. Mobile phones and tablets may not be adequate or appropriate for some aspects of the course materials. All popular browsers are supported, but we recommend Chrome or Firefox if available. A web cam and headset are highly recommended, and access to YouTube, Vimeo, and other video hosting services should be unrestricted.

A productivity suite such as Microsoft Office, Microsoft Office 365, Google G-Suite, Apache Open Office, or LibreOffice is recommended or may be required for Landmark College online courses.
