All students take two courses:

- Learning Strategies Seminar **or** Strategies for College Success
- Writing the Effective Essay
- Choice of a single elective

Learning Strategies Seminar (Required – Traditional Track)

Provides a foundation for other coursework and activities in the summer program. Students explore the “science” behind learning — from how the brain processes information to why factors such as nutrition, sleep, exercise, and learning differences affect how we learn. Students learn about skills and strategies, including technologies they can use to improve their ability to learn.

Strategies for College Success (Required – Social Pragmatics Track)

Much like the Learning Strategies Seminar, this class provides a foundation for coursework and activities within the program, while paying special attention to helping students better understand the nuances of verbal and nonverbal communication.

Writing the Effective Essay

This class will introduce student to the goals and structures of personal and persuasive writing and many students use this class to begin working on their college application essay.

Workshops – Monday, Wednesday, and Friday
