About Landmark College

For more than 30 years, Landmark College has successfully prepared students who learn differently for the challenges of college study. It is the college of choice for students with language-based learning disabilities, ADHD, and ASD.

Based in Putney, Vt., the College offers associate and bachelor's degrees, as well as summer programs for high school and college students. Learn more at landmark.edu.

5 DAYS TO A NEW WAY OF LEARNING

Do your learning differences cause you to struggle with any of the following?

- Reading/retaining what you've read
- Organizing your thoughts and putting them into a clearly written paper
- Recalling information for a test that you spent hours studying for
- Managing your time and materials
- Starting or finishing tasks

If this sounds like you, don't miss Landmark College's five-day Intensive Workshop for Success in College. This program will help you feel better prepared and more confident as you begin classes next fall — whether you are entering your first semester or continuing your studies.

The Intensive Workshop for Success in College is a highly personalized program offered by Landmark College faculty members who have a deep understanding of the nature of language-based learning disabilities, ADHD, and ASD.

WORKSHOP BENEFITS

In this workshop, our experienced professors will help you discover:

- What science shows us about what we can do to improve our attention, memory, and motivation
- Specific strategies and technologies that can support your skills in note taking, reading, writing, memory, and organization as a successful college student

In this workshop, you will:

- Study with other bright and talented students who also learn in different ways
- Learn from professors who truly understand the challenges and frustrations you encounter in and out of the classroom — and who can help you discover new learning strategies to succeed
- Gain an in-depth understanding of your learning differences and personal learning style
- Explore how to effectively integrate assistive technology into your learning strategies
- Learn to advocate for your needs as a learner
- Build an individualized toolkit of reading, writing, studying, and organizational skills so you can go to school with the tools you need to succeed

You will also receive a post-workshop assessment.

"Landmark is the college of choice for students who learn differently. We are known worldwide for transforming the lives of students with language-based learning disabilities, ADHD, and ASD.

"We're delighted to bring Landmark College's respected and proven learning strategies to UC Berkeley through this innovative and focused workshop."

Transition to College Program

TRANSITION TO COLLEGE

Location: Landmark College, Putney, VT

Dates: Friday, July 21 – Saturday, August 5, 2017

An important option for students entering their first year of college

College-bound high school graduates interested in a more in-depth, immersive college experience may want to also explore Landmark's Transition to College Program.

This two-week, residential program will help prepare you for the challenging transition from high school to college, and from home to residence hall. You will be immersed in a living/learning experience that offers a real "taste" of college life, introducing you to college-level work and the challenges that you will encounter in the fall. The curriculum is designed to help you develop a clear understanding of your personal learning strengths and needs. You'll also discover how to use the resources at your new school, along with self-advocacy, to support your success in college.

WHY ARE YOU INTERESTED IN THE INTENSIVE WORKSHOP FOR SUCCESS IN COLLEGE?

In order to best meet your expectations of our Intensive Workshop, we ask that you briefly answer the following question.

What have been your greatest educational challenges and how have these challenges affected your educational outlook? Additionally, what do you hope to accomplish by participating in the Intensive Workshop for Success in College?

(Please use additional pages if necessary.) _____

By applying to Landmark College's Intensive Workshop for Success in College and signing this application for admission, I indicate my understanding that this workshop offers an intensive, rigorous academic program.

In submitting this application to the Intensive Workshop, I affirm my interest in participating fully. This includes: daily attendance at classes and meetings with my teachers; completion of written assignments; and participation in the required workshops in the program. While I know that students who do the required work generally realize improved academic performance, I also understand that students not prepared to work intensively, or who have other issues that require their attention, may have difficulty achieving the program's learning outcomes.
