New Family Orientation, Fall 2023

LANDMARK COLLEGE

Dear Families,

We are delighted you have chosen Landmark College! These next few days are designed to empower your student to become an informed, confident, and engaged community member and to help you. We worked very hard to cultivate separate schedules for you and your student. **All student activities are required unless noted as optional, and attendance is integral to building your student's academic and social confidence.** *Family* events are optional, though strongly encouraged; please note that these workshops will complement our Family Weekend events (September 22 and 23 – save the date!).

Our Family Orientation schedule aims to inform and empower parents and families as valued community members and supporters of their students' increased independence. We honor the pivotal role you have played in supporting your student's journey to Landmark, and we hope these workshops will provide helpful guidance on how to navigate the journey ahead.

At the close of the Family Orientation, we hope you'll feel confident about the following:

- Know whom to contact about what and when
- Know about our academic expectations and opportunities
- Know about our residential and social expectations and opportunities
- Feel confident in our ability to support your student

And we want to make sure your student:

- Knows how to access resources and supports
- Knows the layout of the campus
- Knows how to navigate buildings
- Knows what to expect from the academic programming
- Knows where to go and whom to talk with about social activities
- Had fun and made some new connections
