Travel .....	\$ 700 to \$ 1,800
Computer .....	\$ 1,400/required

## Scholarships, Grants & Financial Aid Opportunities

Few families have the financial resources to fully afford the cost of attending college. Our Office of Financial Aid will work closely with you and your family to help you qualify for the maximum financial resources possible.

In addition to federal and state aid, the College funds a variety of need-based scholarships, ranging from \$500 to \$34,000. Students with significant financial need also are eligible for Landmark College's **Access to Innovative Education (AIE)** and **AIE-STEM Scholarships**. AIE scholarships cover up to full tuition and are available across all disciplines. AIE-STEM scholarships provide up to \$10,000 annually to students studying computer science or life sciences.

To help cover the cost of attendance, most LC students and their families participate in one or more of the following programs:

- Federal Pell Grants
- Federal Supplemental Educational Opportunity Grants (SEOG)
- Federal Loans (Federal Direct Stafford Loans and Federal Direct Parent Plus Loans)
- Federal Work-Study Employment
- State Grants
- State Vocational Rehabilitation Funds
- Yellow Ribbon Program for Veterans and their Families 
- LC's Endowed Scholarships
- Access to Innovative Education (AIE) Scholarships
- AIE-STEM Scholarships

### Be Sure to File the FAFSA!

To be considered for need-based aid — which includes federal and state grants, work-study employment, and Landmark College scholarships — you must file the Free Application for Federal Student Aid (FAFSA).

- File the FAFSA as soon as possible after October 1.

The FAFSA now uses income information from **two years prior**. When completing the FAFSA for aid in 2017-18, you can simplify the process by using its automatic Data Retrieval Tool to upload your income information directly from your 2015 federal tax return.

- List Landmark College's federal code: **017157**

## MEDICAL TAX DEDUCTION:

### Offering Valuable Savings to Our Families

Because of the specialized nature of LC's educational services for students with diagnosed learning differences, the cost of attendance may qualify as a **medical tax deduction**. In addition to tuition and fees, other costs such as books, notebook computers, and other education-related expenses may be tax deductible.

You can learn more about this valuable opportunity on our website at [landmark.edu/finaid](http://landmark.edu/finaid), where you can download important Internal Revenue Service publications. We also recommend that you consult with your tax advisor about these options.

**Landmark College's Net Price Calculator** is an online tool that helps students and their families estimate their financial aid package. For a better idea of your actual out-of-pocket costs to attend LC, visit <https://landmark.studentaidcalculator.com>

### More Ways to Finance Your Education

Some families use private loans to bridge funding gaps or if they prefer not to file the FAFSA for need-based aid.

LC also offers convenient payment plans to help make paying for college more manageable. For details, contact **802-387-6845**.
