

Health and Counseling: Preparing to Come to Landmark College

Self Care

- Practice a sleep schedule to reflect going to morning classes
- Can you do laundry?
- Know how to budget?
- Winter clothes, boots, coat
- If light affects your sleep consider bringing drapes on tension rods

LIVING WELL

YOUR

BODY

MIND

SPIRIT

Nutrition

- ▶ Struggle with weight?
- ▶ Practice making good food choices at home to avoid increased calories
- ▶ Limit white sugar and bottled/canned beverages
- ▶ Do simple research about ways to eat healthily

COVID Vaccination

- ▶ Initial series plus #1 booster is **HIGHLY** recommended

Taking Charge of Your Care Plan:

- ▶ Talk to your family, care providers, and take as many notes as you need and organize them in a way that makes you feel comfortable.
- ▶ Transition of Medical and Mental Health Care to Landmark College

Before You Leave for Landmark College

- ▶ Decide whether to:
 - ▶ Continue with your clinician from home,
 - ▶ Transfer your care to the Health Services and Counseling, or
 - ▶ Work with an off-campus clinician.

Basics:

- ▶ Know the name(s) of your condition(s)
- ▶ Be able to describe the problems or symptoms you have and triggers (e.g. anxiety, difficulty concentrating, poor sleep)
- ▶ Be able to describe how these problems affect your life
- ▶ Be able to describe the treatment you're receiving (group therapy, medication)
- ▶ Be able to describe your reactions and responses to your treatment (what's been helpful and what hasn't)
- ▶ Have the names and contact information of your treatment providers

IF YOU TAKE MEDICATION

- ▶ Know the name of your medication(s), dosage, when you take them
- ▶ Take responsibility for taking your medication (ask a parent or guardian to supervise you at first)
- ▶ Be able to describe how medication makes you feel
- ▶ Be able to describe any side effects or problems you've had with medicine (current and/or past)
- ▶ Will your home prescriber continue prescribing medications while you are away?
- ▶ Decide if you want to use mail order pharmacy or take the shuttle to pick up your medications locally
- ▶ Will your insurance work in Vermont?

INTEGRATE YOUR TREATMENT AND EDUCATION PLANNING

- ▶ Be a part of discussions about your treatment plans and goals so you develop a clear understanding of your treatment
- ▶ Be able to simply describe the goals of treatment
- ▶ If you had an IEP in junior/high school, share the information with your advisor as a planning tool
- ▶ These conversations will help you in your work with professors and advisor

Paperwork, paperwork, paperwork

- ▶ Health History Form
- ▶ Immunization records
- ▶ Tuberculosis (TB) screening
- ▶ Done through OnPatient portal in electronic record

Hello Jaden

I hope you are doing well! I am inviting you to connect with me through my patient portal, OnPatient. OnPatient is a platform that allows you to conveniently view your medical records, schedule appointments, fill out forms before coming into the office, and securely communicate with your doctors.

[Sign Up Now](#)

- ▶ Patient portal for Health Services electronic record
- ▶ Encrypted and private. HIPAA compliant unlike Outlook and other emails
- ▶ PLEASE SIGN UP to improve your experience. Look in Junk box for email invite
- ▶ Students can book their own appointments if they want
- ▶ Complete onboarding in this portal. Follow instructions in the main onboarding portal

Counseling Staff

Our services are part of your tuition package

Counseling Service's Focus

- ▶ Increasing your ability to take full advantage of your educational opportunities.
- ▶ Supporting the development of your personal agency.
- ▶ You learning how to balance social life and academic demands.
- ▶ Supporting your overall wellbeing and health.

Issues to bring to Counseling

Homesickness / Adjustment to college

Identity development

Perfectionism, Academics

Relationship and social difficulties

Family

Screen-time, substance use

Stress and anxiety

Depression

Loneliness

Low self-esteem

Grief

Psychiatric Services

- ▶ We recommend that whenever possible students maintain their relationship with their home provider.
- ▶ LC's Health Services often coordinates care with home prescribers at the student's request.
- ▶ There are now online platforms that provide telehealth psychiatric services.
- ▶ Currently it is difficult to access psychiatric care locally. A 6-12 week wait.

Health Services

Jeff Huyett, APRN,BC

Director, Health Services
