Congratulations!

We are so pleased to welcome you as an accepted student to the Landmark College Preparing Students for College Success summer program presented in conjunction with Johnson & Wales University! We are confident that your participation in the program will provide you with a transformational experience. Not only will you learn more about how you learn best, but you will also make new friends and develop new skills, self-confidence and the independence needed for college success.

This guide is designed to give you an overview of the program and guidelines on how to prepare yourself for your stay at Johnson & Wales University's Denver Campus (JWU Denver). Our goal is to make you feel comfortable at JWU Denver, your new home away from home. The mountain views from campus are beautiful too!

JWU Denver is ideally situated in the economically vibrant and growing Metro Denver region. Denver provides the perfect foundation for students to be at the leading edge of their future career through internships and job opportunities in growing industries such as tourism, hospitality, recreation, marketing, and the arts and culture scene.

Enrollment Forms & Program Updates

One of the first things you should do is complete the program registration forms online. The more forms you complete and return ahead of time, the less time you will spend in line upon your arrival to campus.

All of the program forms are located at www.landmark.edu/summer/jwu-lc-summer-program

New Student Orientation

For Students

New Student Orientation is your introduction to becoming a student and community member at Landmark College and JWU Denver. We planned a program that will do three things:

- Give you a chance to meet and make connections with your fellow classmates.
- Help you acclimate to your new living and learning environment by giving you time to settle into your Residence hall and get to know your way around campus.
- Help you prepare for your academic program by introducing you to the program and some of the services available to you as a student.

For Families

In addition to the student programs, Landmark College and JWU Denver will offer optional orientation programs for families. These will provide more in-depth information about the program and give families the opportunity to ask questions before they leave campus.

New Student & Family Orientation Schedule

Saturday, July 20, 2019 (Schedule subject to change)

9 am - 11 am	<ul style="list-style-type: none">• Registration for High School Program students is held in Centennial Hall• Move into Residence halls
11 am - 1 pm	<ul style="list-style-type: none">• Brunch, Wildcat Dining Center (Families welcome – meal provided)
1 – 1:30 pm	<ul style="list-style-type: none">• Welcome for High School Program students & families
1:30 pm	<ul style="list-style-type: none">• Students & families say goodbye for the program. This will be the last time you have the chance to see each other today
1:30 - 5 pm	<ul style="list-style-type: none">• High School Program Orientation for students
1:30 – 4:30 pm <i>Optional Session & Workshop for Families</i>	<ul style="list-style-type: none">• Program Overview and Q&A for families• Parent Workshop• Families are expected to leave campus by 4:30 pm
5 - 6:30 pm	<ul style="list-style-type: none">• Dinner, Wildcat Dining Center
7 – 9 pm	<ul style="list-style-type: none">• Floor Meeting
9 – 11 pm	<ul style="list-style-type: none">• Free time, students can unpack & get settled
11 pm	<ul style="list-style-type: none">• All students required to be back in their Residence hall

Sunday, July 21, 2019 (Schedule subject to change)

8 - 8:45 am	<ul style="list-style-type: none">• Breakfast, Wildcat Dining Center (Families welcome – meal provided)
9 – 11:45 am	<ul style="list-style-type: none">• Parent Workshop Sessions
9 – 11:45 am	<ul style="list-style-type: none">• Group activities for students
12 pm	<ul style="list-style-type: none">• Lunch, Wildcat Dining Center – meal provided)
1 pm	<ul style="list-style-type: none">• Parents officially depart campus
1 – 5 pm	<ul style="list-style-type: none">• Area activities for students
5 - 7 pm	<ul style="list-style-type: none">• Break & Dinner for students
7 – 9 pm	<ul style="list-style-type: none">• Academic prep time

The Academic Program

Preparing Students for College Success Program Overview

Weekday Schedule

7:30–8:45 AM	Breakfast
--------------	-----------

The program is designed to teach new skills and strategies to students who have strong academic potential and whose challenges with executive function affects their performance in high school. Students are those entering their junior or senior year of high school.

9–10:15 AM	Class Period 1
10:30–11:45 AM	Class Period 2
11:45 AM–1:00 PM	Lunch
1:15–2:30 PM	Class Period 3
2:45–5 PM	Extracurricular Activities
5–7 PM	Dinner Evening Study, Free Time and Social Time
7–9 PM	Academic Prep (Mon, Tues, Wed & Thurs)
9–11 PM	Free Time
11 PM	Students In Hall
12 AM	Students In Room, Lights Off, doors closed

Landmark College and Johnson & Wales University instructors employ teaching methodologies that combine student-centered approaches with innovative and experiential curricula. Special emphasis is placed on developing a writing process, discovering academic strengths and personal learning style, and the integration of strategies and practice into engaging activities.

With class sizes ranging from 8 to 14 students per class, teaching instructors are available to support students in the classroom. Additional support is also available during the academic preparatory period, scheduled each evening Monday through Thursday.

In the program, each student will enroll in three courses:

1. Learning Strategies Seminar
2. One writing class
3. One elective

Classes meet Monday through Friday, with the first class beginning at 9 am and the last class ending at 2:30 pm. Each class meets for one hour and fifteen minutes. You will receive your class schedule at registration when you arrive on campus.

Library, Center for Academic Support and Information Technology Services

The Library, located in JWU's Academic Center, also shares a space with the Center for Academic Support (CAS).

Library and Center for Academic Support (CAS)

The library and CAS are available for support with research skills and assignments. Research and writing assistance is available by appointment or on a drop-in basis, and during academic prep time. Library staff members are also available to help students use the library's public computers for academic work.

In addition to research support, the Library and CAS also offer quiet individual and group study space. The Library is fully equipped with access to a large selection of current periodicals, computers, DVD players, and comfortable seating. Our book and DVD collection not only supports academic needs, but recreational interests as well.

Information Technology Services

Computers are available for coursework in the JWU Denver Library (ground floor) and the Center for Academic Support (first floor) in the Academic Center. These computers offer Internet access, scanners, and software including Microsoft Office®, Read & Write Gold®, and Photoshop®. Kurzweil® and Dragon Naturally Speaking® are available on select computers in CAS.

You are strongly encouraged to bring a laptop computer with you. Having a personal computer enhances successful work in a college environment and will be beneficial during the academic prep periods. Students will be granted access to the internet through JWU's wireless network for all devices (computers, tablets, smartphones and other smart devices.) While JWU will provide access to computer labs for homework, the availability of shared-access computers is limited.

Tech Support

If you have trouble with printing, scanning, or internet access on any of the shared computers, please contact JWU IT Services at it@jwu.edu or 866-598-4357. JWU Denver cannot provide technical support for personally-owned computers.

Living on Campus

The Residence halls at JWU Denver are more than just a place for you to sleep. The Residential Life program, along with all the other Student Affairs programs at JWU Denver, partners with the academic program to provide an outstanding residential living and learning experience for program participants.

For many students, moving to the Residence halls will be their first experience living away from home. As members of the JWU community, students have the unique opportunity to contribute to an open and intellectual dialogue about all matters of life. We encourage students to share their ideas and viewpoints in a considerate and respectful manner that is consistent with the standards we have established as a community. In doing so, students will be contributing to the diversity of the campus.

Before arriving on campus, students and families are expected to review the Student Handbook for High School Programs online at <https://www.landmark.edu/highschoolJWU>. These rules apply to every student attending the program.

Residence Hall Staff

Residence halls are staffed with teams of Resident Directors (RDs) and Resident Advisors (RAs). The Residence hall staff is responsible for maintaining a safe and secure living environment for students living on campus. RDs and RAs are part of the daily support and supervision, and are an excellent resource for students who have questions or need advice.

Resident Directors (RDs) are supervisory staff members who have overall responsibility of the Residence hall. They directly supervise the RAs, and are available to students to address a wide range of needs. Resident Directors are a good resource for students to use when they need to discuss important issues or concerns.

Resident Advisors (RAs) live on campus and work in the halls. They will provide direct support and supervision to program participants outside of the classroom. They are great resources for questions about life on campus, as well as any concerns about important policies and procedures.

Program Assistant (PA) assist students during the day to help everyone get to class, to Health Services for illness, or to take scheduled medications.

Campus Safety & Security and RAs are responsible for monitoring the Residence halls for the program during the overnight shift and will assist students and staff as necessary.

The Residence Halls

Students will be housed in double-occupancy rooms. The Residence hall is single gender by wing, with separate community restrooms and showers. The Residence hall has its own social lounge with a flat screen television, study areas for extra support during academic prep periods, and a residential staff office, which serves as a home base for the RDs and RAs on duty each evening.

Please note: each Residence hall room is equipped with a bed, desk, dresser, and wardrobe or closet. Residence halls have wireless internet access.

No Smoking Policy

JWU Denver is proud to be a tobacco-free institution with a policy that prohibits all use of tobacco-related products by students, faculty, staff and visitors on campus. Furthermore, it is illegal in the State of Colorado for persons under the age of 18 to possess or use any tobacco or cannabis product. Summer program students, regardless of age, will not be permitted to use tobacco or cannabis products, vaping devices or electronic cigarettes, regardless of location, for the duration of the program.

Roommate Assignments

Once Landmark College receives a deposit from you confirming your intention to enroll in the program, an email will be sent to the student's email address on file, which will direct them to complete a **Housing Application**. The information provided on this form will help us to identify a roommate that most closely matches with regard to lifestyle and living habits. We ask that students complete this form and be as specific as possible when doing so, as it will improve the likelihood of finding a compatible roommate. Please email campuslife.den@jwu.edu if you have any questions or concerns regarding the Online Housing Preference form.

Laundry & Laundry Facilities

On-campus laundry rooms are available to students in the Summer Program and specific times each week have been designated for getting your laundry done. Washers and dryers are located on the lower levels of the Residence hall. Washers are \$1.50 per load and the dryers are \$1.25 per load (prices subject to change). The machines accept credit/debit cards; however students can download WaveRider Mobile App (via Apple App Store or Google Play on Android Phones) to preload money onto their laundry account to use with the campus laundry

machines. *When creating an account, select (Colorado>Denver>Johnson & Wales University for location).*

Cell Phones

Cell phones should be turned off during all classes and activities unless a student uses it to track assignments or to access necessary assistive technology. During some classes and activities, instructors may collect phones at the beginning and return them to students at the end of the class or activity.

Visitors

After Orientation and Registration days all visitors, including parents, must check in with JWU Campus Safety Office, located in the Academic Center, before meeting the student. Visitors, including parents, are not permitted in the Residence halls after New Student Orientation unless they are under the direct supervision of a resident director. Please understand that this is for the safety and well-being of all students on campus.

Leaving Campus

Students are not permitted to leave the JWU Denver unless they have a signed authorization letter, or a signed release form. (The Permission to Leave Campus form is provided in the enrollment forms, which are available at <https://www.landmark.edu/highschoolJWU>). One form per off campus trip should be completed, and each form should include the date and time the student will leave campus, the date and time the student will arrive back on campus, as well as the name and contact number of the adult that will accompany the student off campus. Each form must be submitted at least 48 hours before a student's departure from campus. All students leaving campus must check out with a member of the residential life staff before departure and upon their return.

Program End

Classes are held through Friday, August 2, and there will be closing activities for students that afternoon and evening. **We strongly encourage students stay on campus and participate in closing activities through Friday, August 2.** The closing activities provide a very important opportunity for students to say goodbye to classmates, faculty and staff members. It is highly likely that students will make connections in this program that will last long after the program concludes, and allowing for appropriate time to process their experience is important. Residence halls close for the Summer Program on Saturday, August 3, 2019. **All students are expected to check out of the Residence halls and depart campus on Saturday, August 3, 2019 by noon.**

Dining Facilities

All students in the Summer Program at JWU Denver will have their meals in the Dining Hall, located in the Wildcat Center. Vending machines are located in both the Academic Center and Centennial Hall when the dining hall is closed. If you have questions about dining services, or if you have specific dietary concerns, please contact Student Affairs at 303-256-9516 or campuslife.den@jwu.edu.

Emergency College Alerts

Students' phone numbers will be entered into the Johnson & Wales University emergency notification system; this is how they will receive emergency alerts sent by the university to their cell phone number(s) (text and/or voice message alerts). In the unlikely event of an emergency, such as an impending weather event or a power outage, Johnson & Wales will use a program called Blackboard Connect to send out important updates or instructions to the number(s) you provided. For questions about Blackboard Connect, please contact Campus Safety & Security at 303-256-9500 or by e-mailing us at DenverSecurity@jwu.edu.

Students may also receive critical alerts and information via email, so it is important that each student's e-mail address is provided upon arrival.

Your Room & What You Should Bring

Each student is provided with these basics:

- Bed & mattress (80 inch twin long)
- Chest of drawers
- Wardrobe or closet
- Desk and desk chair
- One overhead light
- Window with blinds

You will need to provide your own:

- Reliable and easily managed alarm clock
- Pillows, sheets (80 inch twin long), blanket and/or comforter
- Towels & toiletries (shampoo, soap, razors, deodorant, etc.)
- Clothes hangers
- Book bag or backpack
- Reusable water bottle
- Sunscreen and bug repellent
- Spending money (ATM available on campus)
- Flashlight

You may wish to bring:

- Cell phone
- Small Bluetooth speakers
- Study lamp (non-halogen)
- Extension cords (with a built-in **surge-protector**)
- Laptop computer
- Tablet
- A USB flash drive (this will aid in the use of public computers and printing)
- Laundry bag
- Shower shoes
- Shower tote

- Personal entertainment such as books, playing cards, small portable multi-player games

*JWU strongly encourages students to bring a laptop computer to campus. Having a personal computer enhances successful work in a college environment. While there is access to computer labs for homework, the availability of public-access computers is limited.

Things you may NOT have in the Residence halls:

- No open flames or heating coils (Including matches, candles, incense, toaster ovens, lanterns, space heaters)
- No alcohol, alcohol containers, illicit or non-prescribed drugs, or drug paraphernalia
- No explosives, firearms, knives, firecrackers, or weapons.
- No decorations that hang from the ceiling
- No pets
- No refrigerators
- No wooden constructions (lofts) or over-stuffed furniture.
- No cigarettes, cannabis or tobacco products. Colorado state law and the federal government prohibit the use of cannabis tobacco products by minors. JWU Denver is a smoke-free, tobacco-free campus.
- Halogen lamps (these are a fire hazard), nor string lights

JWU reserves the right to have a student remove an item not on the list that is deemed a fire or safety concern. If you are unsure about an item, email the Student Affairs Office at campuslife.den@jwu.edu BEFORE you pack it.

Finally, students should keep in mind when packing to remember that they will be residing at JWU Denver for only two weeks. Pack wisely! All of a student's belongings must be able to fit on their side of the room. JWU is not liable for any lost, broken, or stolen belongings, (students will be provided with a key to lock their room) so please use discretion when deciding what to bring. Irreplaceable items should be left at home. We strongly suggest that if valuables are brought to campus, they are covered under the family's homeowner's policy. Alternately, it may be a good idea to consider purchasing renter's insurance for the duration of the program.

What to Expect: The Weather

Summer in Colorado generally consists of warm and sunny days with cool evenings. In general, we are always hopeful that the vast majority of days during the program will see temperatures in the mid-80s and nighttime lows in the mid-50s. That said, weather can be unpredictable and can fluctuate greatly from day to day. Below is a sample list of what might be appropriate to pack in terms of clothes for your stay in Colorado. How much to pack of each suggested item depends on how frequently you plan to do laundry.

- | | |
|------------------------------|------------------------|
| • Raincoat | • Pajamas |
| • Light jacket or sweatshirt | • Bathrobe |
| • Short sleeved tops | • Socks and underwear |
| • Long sleeved tops | • Swimsuit/beach towel |

- Shorts
- Jeans/Long pants
- Tennis shoes/sneakers
- Sandals, flip-flops
- Hiking shoes
- Closed toe water sandals/shoes (shoes that can get wet)

If you expect to choose a physically active afternoon activity, you may also want to pack gym shorts or clothes appropriate for field sports or other athletic endeavors.

Health Services

A dedicated Health Center for students in the Preparing Students for College Success Program offers nursing support and triage to outside providers as appropriate. In the event that more extensive medical care is needed, a physician and/or hospital will be selected by Johnson & Wales University and parents will be notified immediately. JWU Campus Safety & Security offers trained medical first responders with 24/7 availability for students who may have urgent medical concerns. Questions prior to the program should be directed to Student Health Services, 303-256-9448 or Faith.Olson@jwu.edu.

Notice for all students and parents:

Please complete the **Health History** form (included in the enrollment forms which can be found at <https://www.landmark.edu/highschoolJWU> on or before June 1) and return it to the JWU program with a copy of your health insurance card by the designated date.

IMPORTANT INFORMATION for students taking prescribed medication:

1. Bring **the exact amount** of medication for the two-week program. Count pills and label outside of bottle with the number of pills enclosed.
2. Keep medications in their original packaging/bottle that identifies prescribing physician, name of medication, dosage and frequency of administration. (If a dosage has been changed and is not reflected on the label, have pharmacy print an updated label).
***Prefilled weekly 7-day planners will not be accepted. Medications must be in original bottle.**
3. Starting the day after Orientation, *all medications* will be dispensed by program staff with medication administration training certification. The schedule for dispensing medications daily will be 8 am, 12 pm, 5:30 pm, and 11 pm, every day, including weekends.
4. Health Services staff will comply with the prescription directions on the original packaging. Modifications in prescription directions, such as “as needed” or “not on weekends” must be accompanied by a doctor’s note or an updated prescription label.
5. For students taking supplements, please follow these same directions. We cannot accept a bottle of supplements without the student’s name and specific directions printed clearly on the bottle.
6. Students and parents are responsible for checking in with Health Services at the end of the program to collect any unused medications, such as epi pens, or as needed

medications. If medication is left behind, it will be sent back via express delivery at the student's expense.

Recreational & Cultural Activities

Daily Activities

When students are finished with classes for the day, they will participate in a variety of activities. Some activities will last all two weeks, some just for the afternoon. Activities will be ongoing throughout both weeks of the program and students will choose among art activities, sports and physical activities, as well several additional exciting options. Students will receive an email in mid-June asking them to select their afternoon activities that will be offered. Afternoon activities are designed to foster teamwork, build friendships and to reinforce the creation of new neural pathways in the brain by practicing new, positive behaviors.

Additional supervised activities such as movie viewing and ultimate Frisbee may take place during evening free time in the residential halls and other areas on campus.

Weekend Activities

Weekends during the program will include well-planned field trips designed for students to have fun as well as to provide students with opportunities for further growth. The Academic Program is important, but perhaps for some students, an opportunity to connect with other students is equally important. Students will enjoy a day-long beginner level hiking trip with spectacular views of the front range of Colorado's Rocky Mountains. Additional activities, such as barbecues, dances, movies, and an on-campus field day filled with fun activities and events are also scheduled.

A special note about weekends: Students are strongly encouraged to remain on campus each weekend and participate in our scheduled programming. Often, we find that the connections and experiences that occur at these times can greatly increase the overall value of the program.

All of our activities are supervised and staffed by RDs and/or RAs who are great resources for good conversation and helping students to stay within the guidelines of the campus community.

Accessibility of Fitness Equipment on Campus

Students in the Preparing Students for College Success Program will have access to the Wildcat Center fitness room, as well as the gym as staffing permits, during the program. Regular hours for these facilities will be determined shortly before the program begins in July.

Cars on Campus

Cars are not allowed on campus by participants of this summer program. Students with parental permission to arrive on campus using personal transportation will be asked to surrender all keys to the Residential staff upon arrival and park their automobile in a designated area for the duration of the program. Students may not return to their automobiles without the permission of the residential staff until the end of the program.

Postal Services

Letter Mail: Mail will be distributed at lunch in the Dining Hall Mondays through Fridays.

Shipping Packages & Luggage: All packages and other deliveries are held in the Mail Center located in the Academic Center. Expedited packages would include deliveries by UPS, FedEx, etc. Your resident director will receive an e-mail notice when a package arrives. For anyone traveling by air, it may be helpful to ship items to the JWU ahead of time (7150 Montview Blvd, Denver, CO 80220, ATTN: [Student's Name]/Landmark Summer). Luggage, packages, and other shipped items will be held until a student's arrival on registration day.

University Bookstore

The JWU Denver Bookstore carries a variety of items, ranging from shampoo and soap to pens and three-ring binders. (All necessary academic supplies, with the exception of writing utensils, will be provided.) It also carries a variety of JWU Denver clothing items. To purchase items in the store, you may use checks, cash, or credit card (VISA, MASTERCARD, or DISCOVER). The bookstore's phone number is [\(303\) 256-9528](tel:3032569528). The Bookstore hours are Monday through Thursday am to 5 pm and Friday 10 am to 1 pm.

Banking & Money

There is an ATM machine on the first floor of the Academic Center. These machines accept most ATM cards and the fee is \$2.00 per transaction (subject to change).

Travel & Accommodations

Visit www.jwu/visitdenver to learn more about the JWU Denver Campus and take a virtual tour.

Travel by Car

From I-70 East or West and Denver International Airport

1. From I-70, exit Quebec Street (Exit 278).
2. Take Quebec South to 17th Avenue.
3. Turn right onto 17th Avenue.
4. Turn right on Olive Street.
5. Go one block to 18th Avenue.
6. Our visitor parking entrance is right in front of you, at 18th and Olive.

From I-25 Southbound

1. From I-25 South merge onto I-70 heading East.
2. From I-70, exit Quebec Street (Exit 278).
3. Take Quebec South to 17th Avenue.
4. Turn right onto 17th Avenue.
5. Take a right on Olive Street.
6. Go one block to 18th Avenue.
7. Our visitor parking entrance is right in front of you, at 18th and Olive Streets.

From I-25 Northbound

1. Take I-25 North to Colorado Boulevard (Exit 204).
2. Take Colorado Boulevard to East 17th Avenue (approximately 5 miles).
3. Take 17th Avenue for approximately 2 miles.
4. Take a left on Olive Street.
5. Go one block to 18th Avenue.
6. Our visitor parking entrance is right in front of you, at 18th and Olive.

Using your phone or mobile device for directions: East 18th Avenue & Olive Street, Denver, CO 80220

Travel by Air

The most convenient airport, with service provided by many airlines, is [Denver International Airport](#), which is about half an hour away by car.
