2010 incoming cohort	33%	42%
2011 incoming cohort	32%	31%
2012 incoming cohort	36%	42%

Graduation

The Student Right-to-Know Act requires schools to annually disclose the graduation rates and transfer-out rates for cohorts of degree-seeking, first-time undergraduate students.

Determination of Cohort

Because "First-time undergraduate student" is defined in the guidelines as an undergraduate who has never attended an institution of higher education, we only count those students who came to Landmark College directly from High School.
