Congratulations!

We are so pleased to welcome you as an accepted student to the Landmark College Summer High School Program! Like it has for so many students who have attended the program since it started in 2002, we are confident that your participation in the program will provide you with a transformational experience. Not only will you learn more about how you learn best, but you will make good friends that will last long after the 3-week program is over.

This guide has been put together to give you an overview of the program and how to best prepare for your three weeks on campus. Our goal when you arrive on campus this July is to have you say “this feels like home”.

Enrollment Forms & Program Updates

One of the first things you should start doing is completing the various forms that will be required for program registration. The more forms you complete and return ahead of time, the less time you will spend in line on your arrival to campus.

All of the forms you will need to complete can be found on our [Orientation page for High School Summer Program Students](#) on the College’s website (*Landmark.edu > Student Life > New Students > High School Summer Program* (the High School Program link is in the left menu)).

New Student Orientation

For Students

New Student Orientation is your introduction to becoming a student and community member at Landmark College. We have planned a program that will do three things:

- Give you a chance to meet and make connections with your fellow classmates.
- Help you acclimate to your new living & learning environment by giving you time to settle into your residence hall and get to know your way around campus.
- Help you prepare for the first week of your academic program by introducing you to the program and some of the services available to you as a student.

For Families

In addition to the student programs, the College will offer optional orientation programs and workshops for families. These are intended to provide more in-depth information about the program and give an opportunity for families to ask any question or raise any specific concerns before they leave campus.

New Student & Family Orientation Schedule

Sunday, July 12, 2020

9 am – Noon	Registration: Click Family Sports Center <i>After completing registration, students will move in</i>
10:30 am – 1:30 pm	Brunch: Dining Hall <i>Families Welcome</i>
1:30 – 2:00 pm	Welcome
2:00 – 2:30 pm	Students and Families Say Goodbye
2:30 – 4:30 pm	Orientation for Students Program Overview for Families Parent Workshop <i>Families are expected to leave campus by 4:30 pm</i>
5 – 6:30 pm	Dinner: Dining Hall
7 – 8 pm	Wing Meeting – Residence Hall
8 – 11 pm	Free time <i>Unpack & Get Settled</i>
11 pm	All students required to be in residence halls

Monday, July 13, 2020 – Classes begin

High School Program - More Information & Updates

For updated information and to ask any questions, the College has two websites for the High School Summer Program.

- The [Orientation page for Summer High School Program Students](#) on the College's website (*Landmark.edu > Student Life > New Students > High School Summer Program* (the High School Program link is in the left menu)).

The Academic Program

High School Program Summer Session Overview

The High School Program Summer Session at Landmark College is designed to teach new skills and strategies to students with learning differences and/or ADHD or ASD. Students are typically those entering their junior or senior year of high school.

Landmark College instructors employ teaching methodologies that combine student-centered approaches with innovative and experiential curricula. Special emphasis is placed on developing a writing process, discovering academic strengths and personal learning style, and the integration of strategies and practice into engaging activities.

With class sizes ranging from 8 to 14 students per class, teaching instructors are available to support students in the classroom. Additional support is also available during the academic preparatory time period, scheduled each evening Mondays through Thursdays. In the High School Program, each student will enroll in three courses:

1. Learning Strategies Seminar (Traditional Program) or College Living and Academic Strategies (Social Pragmatics Track),
2. One writing class,
3. One elective.

Classes meet Monday through Friday, with the first class beginning at 9 am and the last class ending at 2:45 pm. Each class meets for one hour and fifteen minutes. You will receive your class schedule at registration when you arrive on campus.

Weekly Schedule

7:30 – 8:45 am	Breakfast
9:00 – 10:15 am	Class Period 1
10:30 – 11:45 am	Class Period 2
11:45 am – 1:15 pm	Lunch
1:30 – 2:45 pm	Class Period 3
3:00 – 5:00 pm	Extracurricular Activities
5:00– 6:30 pm	Dinner Evening study, free time, social time
7:00 -9:00 pm	Academic Prep (Mon, Tues, Wed, & Thurs)
9:00 – 11:00 pm	Free time
11:00 pm	Students in Hall
11:30 pm	Students in Wing
Midnight	Students in room, doors closed, lights out

Library and Information Technology Services (ITS)

Library

The Library is a center of academic support for research skills and assignments. Research assistance is available by appointment or on a drop-in basis. Library staff members are also available to help students use the Library's public computers for academic work and trying out assistive technology software. The Library offers welcoming spaces for work and relaxation, with individual and group study rooms and comfortable seating. You will have access to a large selection of current magazines and journals, computers, DVDs and DVD players, as well as the extensive Learning Disabilities, ADHD & ASD Research Collection.

Information Technology Services (ITS)

Landmark College supports a wireless network that covers the entire campus (even our quad!) Students who bring their computers, tablets, and other devices to campus will be granted access to the College's wired and wireless network. Desktop computers are available for coursework in the Landmark College Library - on the main floor and in the basement. These computers offer internet access, scanners, and software including Microsoft Office®, Xmind®, Kurzweil®, Dragon Naturally Speaking®, and Adobe Suite®. Students will have access to printers in the Library from these systems.

Tech Support

If you are having trouble accessing the internet with your device, please contact the Tech Support Center located on the second floor of the Library.

The College strongly encourages you to bring a laptop computer with you. Having a personal computer enhances successful work in a college environment and will be most beneficial during the academic prep periods. Students will be granted access to the internet through the College's wireless network for all devices (computers, tablets, smartphones and other smart devices.) While the College will provide access to computer labs for homework, the availability of public-access computers is limited.

Living on Campus

The residence halls are more than just a place for you to sleep. The Residential program partners with the academic program to provide an outstanding residential living and learning experience.

For many students, moving to the residence halls will be their first experience living away from home. As members of the Landmark community, students have the unique opportunity to contribute to an open and intellectual dialogue about all matters of life. We encourage students to share their ideas and viewpoints, so long as they're presented in a considerate and respectful manner that is consistent with the standards we've established as a community. In doing so, students will be contributing to the diversity of the campus.

Before arriving on campus, students and families are expected to review the Student Handbook for the High School Program online at <https://landmark.edu/HSSPNSO>. These rules apply to every student attending the program.

Residence Hall Staff

The residence hall is staffed with a team ready to help you. The Resident Director (RD) and Resident Assistants (RAs) are excellent resources as you navigate through your time on campus. The residence hall team is responsible for maintaining a safe and secure living environment for students and are part of the daily support and supervision.

Resident Director (RD): are a professional staff member who is responsible for life in your residence hall. The RD, who directly supervises the RAs, is available to students to address a wide range of needs and are a good resource to use when you need to discuss important issues or concerns.

Resident Assistants (RA): are paraprofessionals who live on campus and work in the halls. They provide direct support and supervision to you outside of the classroom and are great resources for questions about policies and procedures, and life on campus. Note: in the Social Pragmatics Track, this residential life support role is fulfilled by staff members known as **Advisors in Residence (AR)**.

Program Assistants (PA) provide assistance to students during the day to help everyone get to class, to Health Services for illness or to take scheduled medications.

Night Proctors (NP) are responsible for monitoring the residence halls for the High School Summer Program during the overnight shift. Night Proctors aid students and staff as necessary.

The Residence Halls

Students in the Traditional Track will be housed in double-occupancy rooms that are single sex by wing, with separate community restrooms and showers for men and women. The residence hall has its own social lounge with flat screen televisions, study areas for extra support during academic prep periods, and a residential staff office, which serves as a home base for the RDs and RAs on duty each evening.

Students in the Social Pragmatics Track will be housed in double occupancy rooms in suites. Each suite will house up to five students and includes a shared a bathroom and access to a common kitchen. Limited single rooms are available for qualifying students for an additional fee.

Your Room & What You Should Bring

Each student is provided with these basics:

- a bed & mattress (80 inch twin long)
- chest of drawers
- wardrobe or closet
- desk and desk chair
- one overhead light
- each room has at least one window with blinds

You will need to provide your own:

- Reliable and easily managed alarm clock
- Pillows, sheets (80 inch twin long), blanket and/or comforter
- Towels & toiletries (shampoo, soap, razors, deodorant, etc.)
- A fan (strongly recommended)
- Wastebasket
- Clothes hangers
- Book bag or backpack
- Reusable water bottle
- Sunscreen and bug repellent
- Spending money (ATM available on campus)
- Non-halogen reading light
- Flashlight

You may wish to bring:

- Cell phone
- Small Bluetooth speakers
- Study lamp (non-halogen)
- Extension cords (with a built-in **surge-protector**)
- Laptop computer
- Tablet
- A USB flash drive (this will aid in the use of public computers and printing)
- Laundry bag
- Shower shoes
- Shower tote
- Small refrigerator
- Personal entertainment such as books, playing cards, small portable multi-player games

Things you may NOT have in the residence halls:

- No open flames or heating coils (Including matches, candles, incense, toaster ovens, lanterns, space heaters)
- No alcohol, alcohol containers, illicit or non-prescribed drugs, or drug paraphernalia
- No explosives, firearms, knives, firecrackers, or weapons.
- No decorations that hang from the ceiling
- No pets
- No wooden constructions (lofts) or over-stuffed furniture.
- No cigarettes or tobacco products. Vermont state law prohibits the use of tobacco products by minors
- Halogen lamps (these are a fire hazard), or string lights

The college reserves the right to have a student remove an item not on the list that is deemed a fire or safety concern. If you are unsure about an item, email the Student Affairs Office [BEFORE](#) you pack it.

Finally, students should keep in mind when packing that they will be residing at LC for less than a month. Pack wisely! All your belongings must be able to fit on your side of the room. The college cannot be held liable for any lost, broken stolen belongings, (students will be provided with a key to lock their room) so please use discretion when deciding what to bring. Irreplaceable items should be left at home. We strongly suggest that if valuables are brought to campus, they are covered under the family's homeowner's policy. Alternately, it may be a good idea to consider purchasing renter's insurance for the duration of the program.

Please note: each residence hall room is equipped with a bed, desk, dresser, and wardrobe or closet. Residence halls have wireless internet access.

No Smoking Policy

It is illegal in the State of Vermont for persons under the age of 18 to possess or use any tobacco product. Landmark College High School Summer Program students, regardless of age, will not be permitted to use tobacco products, vaping devices or electronic cigarettes, regardless of location, for the duration of the program.

Roommate Assignments

Once Landmark receives a deposit from you verifying your intention to enroll in the program, an email will be sent to the student's email address on file which will direct them to access their **Residence** account online. There, students can complete a **Housing Application**. The information provided on this form will help us to identify a roommate that most closely matches regarding lifestyle and living habits. We ask that students complete this form and be as specific as possible when doing so, as it will improve the likelihood of finding a compatible roommate. Please email housing@landmark.edu if you have any questions or concerns regarding the Online Housing Preference form.

Laundry & Laundry Facilities

On-campus laundry rooms are available to students and specific times each week have been designated for getting your laundry done. Washers are \$1.75 per load and the dryers are \$1.50 per load (prices subject to change). The machines accept coins or debit cards through the ChangePoint system in each laundry room (note: machines do NOT accept Campus Debit Cards).

Cell Phones

Cell phones should be turned off during all classes and activities unless a student uses it to track assignments or access necessary assistive technology. During some classes and activities, instructors may collect phones at the beginning and return them to students at the end of the class or activity. Please keep in mind that not all cell phones will have a usable signal throughout campus.

Visitors

After Orientation and Registration days all visitors, including parents, must check in with Landmark College Campus Safety Office, located in Davis Hall, before meeting the student. Visitors, including parents, are not permitted in the residence halls after New Student Orientation unless they are under the direct supervision of a resident director. Please understand that this is for the safety and well-being of all students.

Leaving Campus

Students are not permitted to leave the LC campus unless they have a signed authorization letter, or a signed release form. (The Permission to Leave Campus form is provided in the enrollment forms, which is available at landmark.edu/HSSPNSO). One form per off campus trip must be completed, and each form will include the date and time the student will leave campus, the date and time the student will arrive back on campus, as well as the name and contact number of the adult that will accompany the student off campus. Each form must be submitted at least 48 hours before a student's departure from campus. All students leaving campus must check out with a member of the residential life staff before departure.

Program End

Classes are held through Friday, July 31st, and there will be closing activities for students that afternoon and evening. **We strongly encourage students stay on campus and participate in closing activities through Friday, July 31st.** The closing activities provide an important opportunity for students to say goodbye to classmates, teachers and staff members. It is highly likely that students will make connections in this program that will last long after the program concludes and allowing for appropriate time to process their experience is important.

All students are expected to check out of the residence halls and depart campus on Saturday, August 1, 2020 by noon.

Dining Facilities

You will have meals in the Dining Hall, located on the ground floor of Alumni Hall. A café in the Strauch Family Student Center provides pay-as-you go service in the evenings when the dining hall is closed. If you have questions about dining services, or if you have specific dietary concerns, please contact **Cindy Ondria, 802-387-1668**, cindyondria@landmark.edu.

Emergency College Alerts (Regroup.com)

Students are required to sign up online for emergency alerts by providing their cell phone number(s) and carrier(s) (for text or voice message alerts). In the unlikely event of an emergency, such as an impending weather event or a power outage, the College will use a program called Regroup to send out important updates or instructions to the number(s) you provided. This service will also be used on weekends to alert students of impending departure from field trips or of upcoming events. For questions about Regroup, please contact Campus Safety.

What to Expect: The Weather

Summer in southern Vermont generally consists of warm days with very few days reaching above 90 degrees F. However, it is not uncommon to have some warmer days during the program that are accompanied by high humidity. Summer is also the season for quickly moving thunderstorms that can come on suddenly. In general, we are always hopeful that the vast majority of days during the program will see temperatures in the 70s and 80s and nighttime lows in the mid-fifties. That said, weather can be unpredictable and can fluctuate greatly from day to day. Below is a sample list of what might be appropriate to pack in terms of clothes for your stay in Vermont. How much to pack of each suggested item depends on how frequently you plan to do laundry.

- Raincoat
- Light jacket or sweatshirt
- Short sleeved tops
- Long sleeved tops
- Shorts
- Jeans/Long pants
- Pajamas
- Bathrobe
- Socks and underwear
- Swimsuit/beach towel
- Tennis shoes/sneakers
- Sandals, flip-flops
- Closed toe water sandals/shoes (shoes that can get wet)

Keep in mind there is a program talent show on the second weekend. You might want to pack a costume or accessories if there is a chance you will want to perform on your own or with a group. If you play a musical instrument, you may want to consider bringing that to campus. If you expect to choose a physically active afternoon activity, you may also want to pack cleats, gym shorts or clothes appropriate for field sports or other athletic endeavors.

Health Services

A dedicated Health Center for students in The High School Summer Program is staffed by nursing professionals and offers routine medical care and manages medication. The program maintains nursing coverage 24-hours-a-day throughout the program. If more extensive medical care is needed, a physician and/or hospital will be selected by the college and parents will be notified immediately. Questions before the program should be directed to Student Health Services.

Notice for all students and parents:

Please complete the **Health History** form (included in the enrollment forms found at <https://landmark.edu/HSSPNSO>) and return it to Landmark College with a copy of your health insurance card by the designated date. Over-the-counter medications may **only** be dispensed to those who have returned the **Over-The-Counter Medication** form with the signature of a parent/ guardian.

IMPORTANT INFORMATION for students taking prescribed medication:

1. Bring **the exact amount** of medication for the three-week program. All medications should be packed in prefilled, labeled, unit dose packaging commercially prepared through your local pharmacy or through a mail-order pharmacy. (See “Instructions for Students Taking Prescription Medications”)
2. Keep medications in their unit dose blister packs.
3. For students in the Traditional Track, when you arrive for New Student Orientation on July 12, keep a separate container with your medications for that entire day with you as you will be responsible for taking your medications on your own for that day.
4. Starting the day after Orientation, *all medications* will be dispensed by the nurses. The schedule for dispensing medications daily will be 8 am, 12 pm, 5:30 pm, and 11 pm, every day, including weekends. There is some flexibility with dosing times.
5. Health Services staff will comply with the prescription directions on the original packaging of the unit dose blister packs.
6. For students taking supplements, please follow these same directions by incorporating the supplements in the unit dose blister pack preparations
7. As needed medications may be submitted in their original bottle with labeled instructions whether prescription or over the counter.
8. Students and parents are responsible for checking in with Health Services at the end of the program to collect any unused medications, such as epi pens, or as needed medications. If medication is left behind, it will be sent back via express delivery at the student’s expense.

Recreational & Cultural Activities

Daily Activities

Students will participate in a variety of activities. Some activities will last all three weeks, some just for the afternoon. Students will participate in a series of activities on Tuesdays and Thursdays, including a visit to nearby Brattleboro, and a short walk to the peak of a nearby mountain top that affords views of southern Vermont and New Hampshire. Activities on Mondays, Wednesdays, and Fridays will be ongoing throughout the three-weeks and students will choose among art activities, sports and physical activities, as well several additional exciting options. Students will receive an email in mid-June asking them to select their afternoon activities for Mondays, Wednesdays, and Fridays. Afternoon activities are designed to foster teamwork, build friendships and to reinforce the creation of new neural pathways in the brain by practicing new, positive behaviors.

Additional supervised activities such as movie viewing, and ultimate Frisbee may take place during evening free time in the residential halls and other areas on campus.

Weekend Activities

Weekends during the program will include well-planned field trips designed for students to have fun as well as to provide opportunities for further growth. The Academic Program is important, but perhaps for some students, an opportunity to connect with other students is equally important. During the weekend of July 18 and 19, students will enjoy a day-long beginner level white-water rafting trip on the Deerfield River, hosted by Zoar Outdoor in Charlemont, Massachusetts. Additional activities, such as barbecues, dances, movies, and an on-campus field day filled with fun activities and events, including a pretty impressive Slip n' Slide, are also scheduled.

A special note about weekends: Students are strongly encouraged to remain on campus each weekend and participate in our scheduled programming. Often, we find that the connections and experiences that occur at these times can greatly increase the overall value of the program.

Students are also able to access the campus game room to play pool, sing karaoke, or just hang out with new friends during weekday free times and weekends. All of our activities are supervised and staffed by RDs and/or RAs who are great resources for good conversation and helping students to stay within the guidelines of the campus community.

Accessibility of Fitness Equipment on Campus

Students in the High School Summer Program will have access to the Click Center fitness room, as well as the gym as staffing permits during the program. Regular hours for these facilities will be posted shortly before the program begins in July.

Cars on Campus

Automobiles and their use are not allowed on campus by participants of the High School Summer Program. Students with parental permission to arrive on campus using personal transportation will be asked to surrender all keys to the Residential staff upon arrival and park their automobile in a designated area for the duration of the program. Students may not return to their automobiles without the permission of the residential staff until the end of the program.

Postal Services

Letter Mail: Letter mail will be available for pick-up in the Student Affairs Office Monday-Friday from 8:30 a.m.- 5:00 p.m.

Shipping Packages & Trunks: All packages and other deliveries are held in the business office in the administration building. Expedited packages would include deliveries by UPS, FedEx, etc. Your resident director will receive an email notice when a package arrives.

It is strongly discouraged to send cash in the mail (checks can be cashed in the Bookstore).

Your address format for all letters, packages, and expedited mail is:

Student's Name
High School Summer Program
Landmark College 19 River
Road South Putney, VT
05346

If students wish to send mail from the program, please bring stamps. Stamped, addressed mail can be dropped off in the College's Business Office in the Administration Building on weekdays between 8:30 am and 4 pm.

College Bookstore

The Landmark College Bookstore carries a variety of items, ranging from shampoo and soap to pens and three-ring binders. It also carries a variety of Landmark College warm-ups, caps, and T-shirts. To purchase items in the store, you may use checks, cash, or credit card (VISA, MASTERCARD, or DISCOVER).

There is an ATM machine on the first floor of the Strauch Family Student Center and in the lobby of the dining hall. These machines accept most ATM cards with a \$2.00 fee per transaction (subject to change).

Campus Card

Students are encouraged to open a LC Campus Card Account. This account (accessible through your ID card) allows you to make purchases at the College Bookstore, Fireside Café, beverage and snack vending machines, dining hall, and participating off-campus locations. The Campus Card Account is a convenient way for you to ensure access to spending money during the program. Funds can be added to the account at any time.

The College does not give cash advances from the Campus Card Account, and the campus card does not work in ATMs. If you need cash, you have the following options:

ATMs: are available in the Dining Hall (Alumni Hall) entryway and on the first floor of the Strauch Family Student Center. The machines accept almost any credit or debit card. The transaction fee is \$2.00 plus any fee your home bank may charge. The ATM is sponsored by Prosperity Bank and accepts the following cash networks: MasterCard, Cirrus, Visa, Plus, American Express, Discover, Star, Pulse, NYCE, CUZ4, AFFN, Accel, Quest, and Shazar.

Checks

You are permitted to cash a check, travelers check, or money order in the College Bookstore. Checks must be from a parent, grandparent, or guardian or issued by Landmark College. Students can cash one check per week, and no check can exceed \$200.00. You must show positive identification and are not permitted to cash checks for other students. A \$50.00 service fee will be charged to any student for any check that is returned by the bank for any reason.

Travel & Accommodations

Travel by Car

From NYC and points South: Follow I-95 East to New Haven, Connecticut. In New Haven, take the I-91 North to New England. Travel north through Massachusetts and into Vermont. The driving time from New York City is approximately 3 to 4 hours.

From Boston and points East: Take the Mass Pike or Route 2 to Greenfield, and then I-91 North. Travel North through Massachusetts and into Vermont. The driving time from Boston is 2 1/2 hours.

From Albany and points West: Take Route 7 to Vermont. Outside Bennington, Vermont, pick up Route 9, to I-91 in Brattleboro. The driving time from Albany is 2 hours.

Once in Vermont: From I-91 Take Exit 4 (Putney) and proceed North on Route 5, for approximately two miles. Go past the center of town and turn right at the Landmark College sign (River Road).

Using your phone or mobile device for directions: Landmark College, Nineteen River Road South, Putney, VT 05346.

Travel by Air

The most convenient airport is Bradley International Airport in Hartford, Connecticut, about an hour and a half away by car.

A complimentary shuttle will be provided for students travelling alone from and to Bradley International Airport. For arrivals, the shuttle will depart from the baggage claim area (it's not very big) at 10 am on Sunday July 12. For students departing, the shuttle will depart campus at 9 am on Sunday, August 1, 2020. Space is limited and reservations for these complimentary airport shuttles are required no later than Jun 26, 2020.

For arrival reservations: <https://landmark.edu/HSSP-arrival>

For departure reservations: <https://landmark.edu/HSSP-departure>

*If these arrival and departure times are not convenient, please contact Thomas Transportation Inc. This service provides transportation to and from the airport for a fee and **reservations are required**. Call them at 800-526-8143 for information regarding rates and schedules, or check out their website <http://www.thomastransportation.com>.

Travel by Train

Take the Amtrak Vermonter train to Brattleboro from points south, beginning in Washington DC or from points north, beginning in St. Alban, VT. The northbound train arrives and departs Brattleboro at 5:10 p.m. daily. The southbound train arrives and departs Brattleboro at 12:34 p.m. daily. For transportation from the train station, please contact Brattleboro Taxi at 802-254-6446.
