The most convenient airport, with service provided by many airlines, is [Denver International Airport](#) (DIA) in Denver, Colorado, which is about 20 miles (approx.. 45 minutes) from campus by car.

A complimentary shuttle will be provided from and to Denver International Airport for participants traveling with a maximum of one guest. For arrivals, the shuttle will depart from Terminal West (Baggage Claim area) at 10 a.m. and Noon on Saturday, July 20. (Important Note: Due to the size of DIA, travelers will likely have to take the airport subway/train to Terminal). Exit out the doors at Terminal West and cross over to Taxi, Van, Shuttle Pickup and look for the Johnson & Wales University Shuttle van (driver will show their JWU ID and be in JWU staff polo). **In the case of any delays or issues finding the shuttle departure location, please contact 303.994.3013.**

**For students departing, the shuttle will depart campus at 11 a.m. on Saturday, August 3. Space is limited and reservations for these complimentary airport shuttles are required no later than July 1.**

Please visit the [Transportation Services site for DIA](#) in the case that arrival departure times do not align with designated complimentary shuttle times. Access to shared-ride services are also available via the DIA website.

For anyone traveling by air, it may be helpful to ship items to the University ahead of time. Luggage, packages and other shipped items will be held until student's arrival on registration day. To ship items to the University, use the following address format:
